

The Dollars & Cents Audit Rescue Plan will provide audit defense services listed below for your 2019 1040 income tax return.

WHAT CERTAIN TERMS MEAN

“Audit” means any IRS or State review, examination, investigation or verification of the information on your 2019 1040 income tax return.

“Notice” is any IRS or State communication, whether written, telephonic or electronic, indicating that one of the income tax authorities is questioning an item on your return.

“Tax Identity Theft” is any IRS written communication indicating that the IRS cannot process your income tax return because one has already been filed in your name, unbeknownst to you.

Acceptance Date: the date from which your Audit Rescue Plan goes into effect.

Statute of Limitations: is the term describing the period of time during which the IRS or State can Audit your 2019 income tax return; for the IRS this is generally three years from the date of filing or the due date (typically four years for States), whichever is later.

The **Period of Coverage** begins on the Acceptance Date and ends with the expiration of the normal Statute of Limitations.

Refund/Rescission Period is the thirty (30) calendar day period commencing on the date of initial purchase during which you may cancel your Plan for a refund of your purchase price. Thereafter, your plan is irrevocably in force, and has been in force for thirty (30) days, during and after which you are entitled to audit Rescue services. After the Refund/Rescission Period the amount you paid for your Audit Rescue Plan is deemed fully earned by us and is non-refundable.

Items Needed refers to the information that we need from you to be able to represent you in the event you receive a Notice and consists of: i) the IRS or State Notice; ii) a completed and signed IRS Form 2848 Power of Attorney and/or IRS Form 8821 Tax Information Authorization.
